

Website usage guide

1. INTRODUCTION

This guide explains how agencies/carriers use the bus.kotor.me web application to pay the fee for the economic use of cultural heritage assets.

You can make reservations in two ways:

- Time Slots — fixed arrival and departure time slots at the Benovo location.
- Daily Fee — flexible passenger pick-up and drop-off throughout the entire day.

In short:

- Time Slots — if you want a pre-booked arrival and departure time at Benovo (mandatory location). If your preferred time slots are unavailable, choose the Daily Fee option.
- Passenger vehicles (4+1, 5+1, 6+1, and 7+1) are not permitted to pick up or drop off passengers at the Benovo location.
- Daily Fee — if the exact time is not important to you or if you plan to visit multiple locations during the day, such as Perast, Risan, the Kotor–Lovćen Cable Car, etc. If you wish to visit the Old Town, passenger drop-off and pick-up must be carried out at the Autoboka and Puč parking locations (links to these locations are available in the web application).

11. LIMO

For every vehicle providing a limo service, a Daily Fee must be paid for the day on which the service is performed. The Daily Fee is purchased through the Reservations menu and is valid for one vehicle and one calendar day. Payment can be made either by card or from the advance balance.

If passenger pick-up or drop-off takes place within the city center area, from the bus station to the Kamelija Shopping Center, only the approved locations may be used:

- Bus stop near the theatre, next to the city market;
- Exit from the Riva parking area, opposite the market.

If the limo service is provided outside the above-mentioned zone, passenger pick-up and drop-off may take place at other locations, provided that traffic regulations and road safety rules are respected.

Limo vehicles (passenger vehicles with 4+1, 5+1, 6+1, and 7+1 seats) are not permitted to pick up or drop off passengers at the Benovo location.

Compliance is monitored by the Municipal Police and other authorized personnel. Drivers or responsible persons are advised to keep proof of the paid Daily Fee available either in their email inbox or as a PDF document.

Links to all referenced locations are available in the web application.
